Section 1 — Building the table

Step 1

Take one of the Table Leg Footing Blocks 580mm (E) and fix six of the Table Legs 800mm (D) side by side along the block. Use 2 x 75mm Green Screws (K) per attachment going in from the underside of the footing block (E).

Repeat the above for the opposite side.

Step 2

Rest the 6 x Table Top 1580mm (A) in to the notches on top of the two table legs made in Step 1, and secure from the side using 2 x 75mm Green Screws (K) per attachment at both ends.
